The Right Life -- 100% Magic

THE RIGHT LIFE

The right life at Londonderry is the life that most people want to lead. Spending your time watching the little fish swimming by your face in the aquarium. Or maybe for you, it might be taking a nap on the couch in the library. For some it may be having a lazy picnic lunch on the grass outside. For Dr. Brauer though, it's being able to ride his bike around the school while patrolling the classrooms. However you like it, the right life can definitely be found right here!

By Jolene Spychka

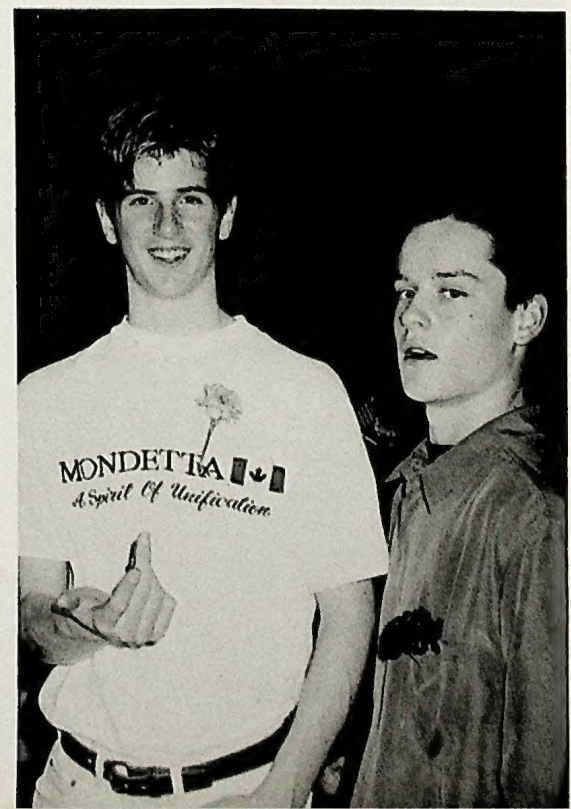

Is this what we call team spirit???

At Spring Fling, this group performed a comedy about the tooth fairy.

Relaxation at it's best!

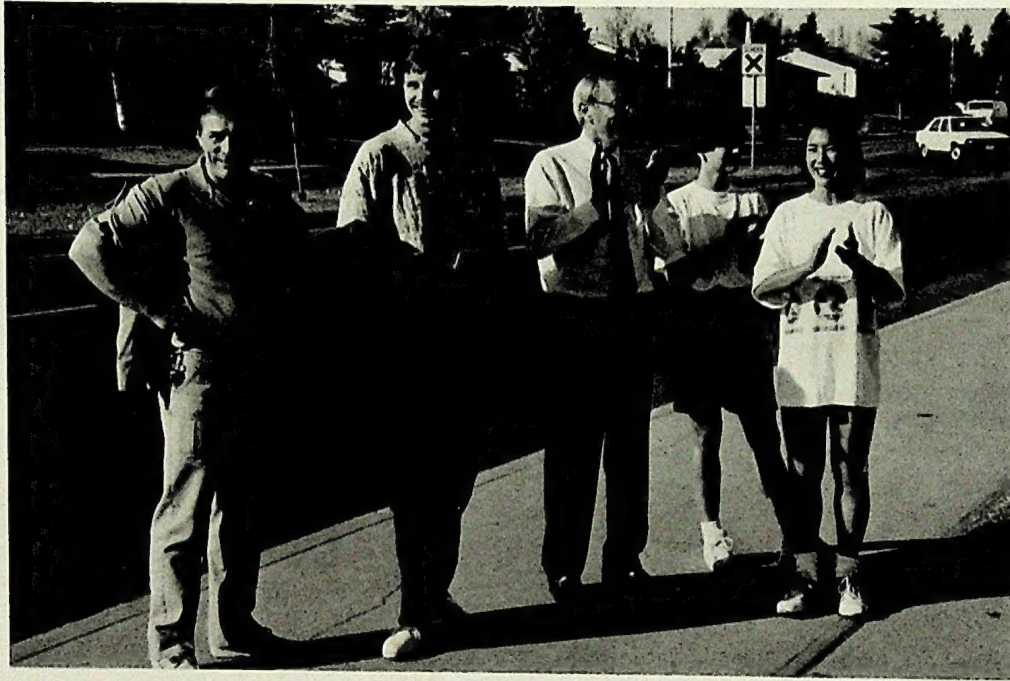

"Do you want to dance?"

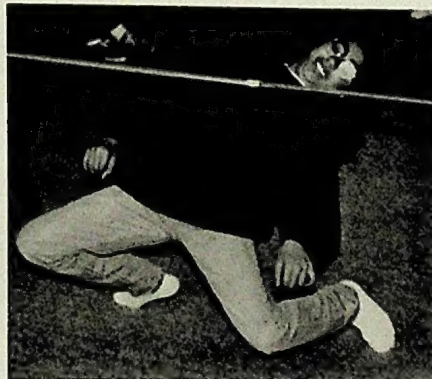

Mmm! That smells good!

Yeah! The school's burning!

Sleeping beauty!?!

How low can you go???

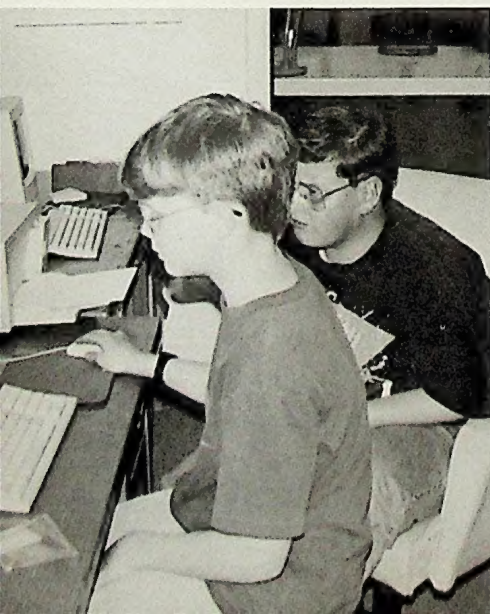

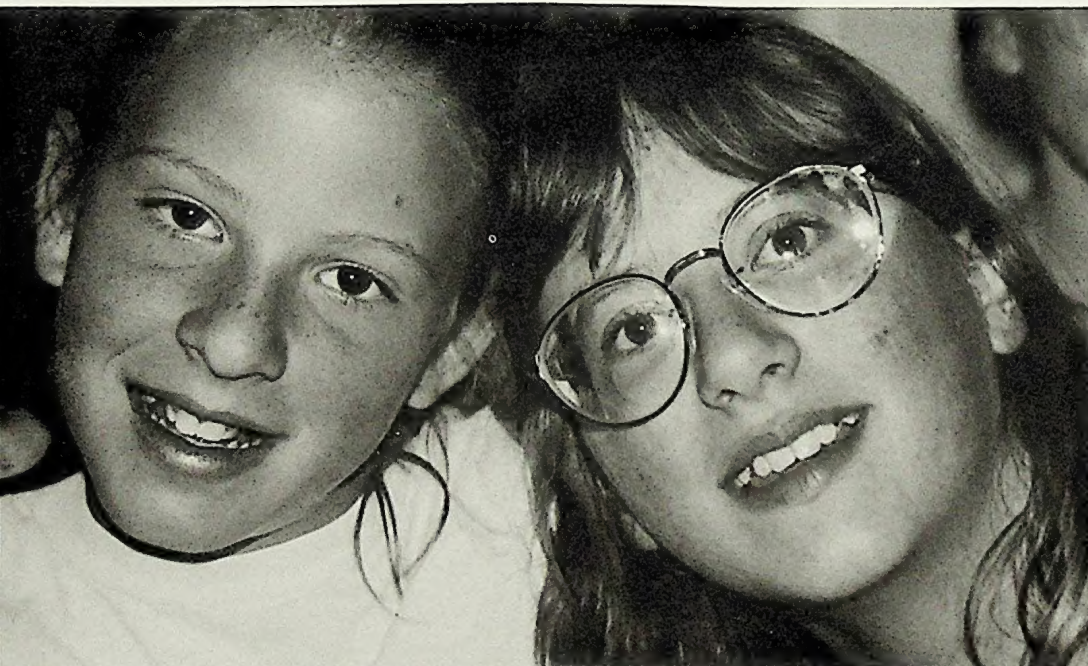

Dion Kelly giving her election speech.

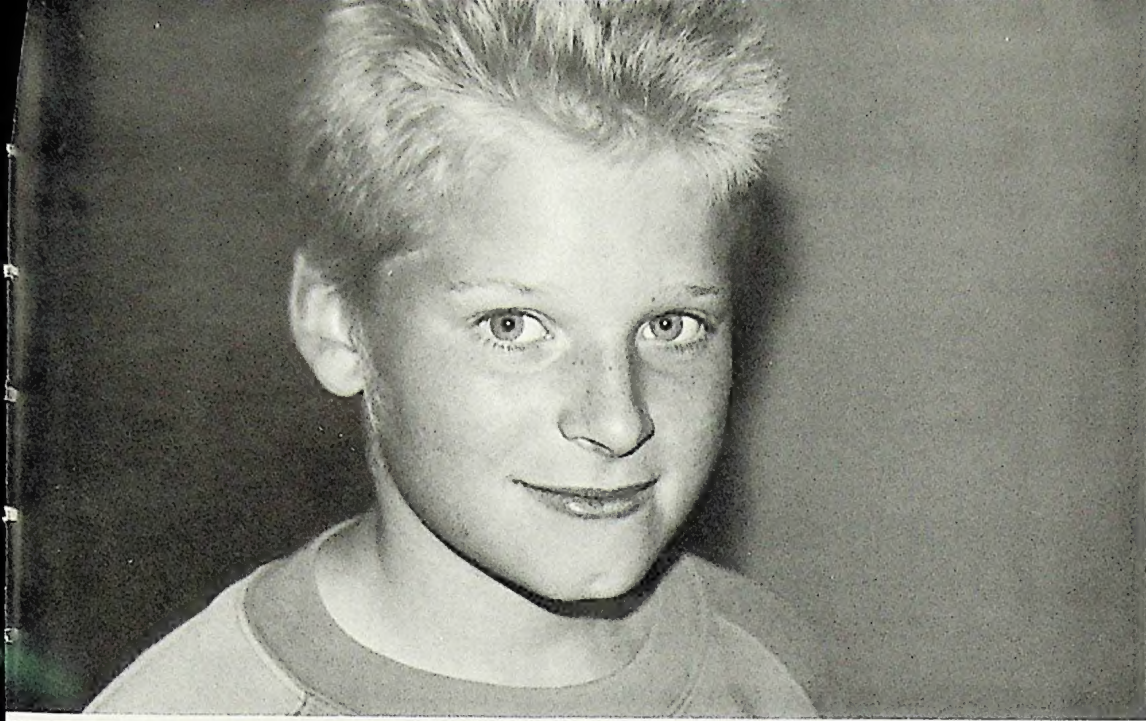

And on it goes

Smilin' Sevens!!!

Uh-huh! It was a busy year. Yearbook sales exceeded 350 copies, hundreds of photos were taken, hundreds of dollars of prizes were given away with our "Right Book Club Card" prize extravaganza and a book jam-packed with memories has been produced. This book was created by our grade eight yearbook class. Students were involved in all aspects of the production of this book from design to layout to final paste-up. We hope you enjoy this book now and for many years to come.

Sr. Boys Volleyball

When asked how many games the Londonderry Lions had won and lost, Mr. Acheson said, "Winning and losing are not important. It's a matter of having fun and improving our skills." The captains of this enthusiastic team were Graham Michaels and Dan Ozegovic. Mostly, the Sr. boys volleyball team is made up of grade 8's and 9's but this year two grade 7's, Mark Napora and Jay Liber, were also on the team. The team played two games a week and two tournaments. They played at Balwin, Steele Heights, Dickensfield, Rosslyn, and at home. This season started October 15 and ended November 29th. The player who scored the most points was Graham Michaels. The team they played the most was Dickensfield. The youngest player on the Londonderry Lions was Mark Napora and the oldest was Mark McLeod. The shortest player was Jay Liber and the tallest was Graham Michaels. In total, about 45 people tried out for the team, but only 13 made it. That meant that 32 people didn't get the chance to play on the team. The worst game this team ever played was the Balwin zone semi-final. One of the best games they ever played was the Steele Heights tournament. The coaches of this energetic group were Mr. Acheson and Mr. Kuchta. Together, the coaches and the team have had a great year.

SLAM DUNK?

This team was made up of hard working, enthusiastic, co-opertive people. They won 5 games and lost 3. Their showings at various tournaments were excellent - 2nd at M.E. LAZERTE and 3rd at EASTGLEN. They also played at various schools from Steel Heights to Guthrie. GOOD WORK!

Jr. Girls Basketball SWISH...

This years Jr. Girls basketball team was a hard-working and enthusiastic group of girls. The team consisted of the following players: Lisa Levasseur, Heather Barnum, Roxanne Brian, Robyn Hocalak, Amanda Engman, Rola Darwich, Jasebel Chan, Shannon Auten, Erin Magee, Becky Bowman, Vijay Nadue, Tara Goosen and Christine Fleming.

About 40 girls came to try-outs initially, and everyone who attends practices makes the team. The season stated late in February, and ended in mid-April.

Amanda Engman was labelled as the most talented player, and she and Roxanne Briangot the highest scores. The team played at Rosslyn and Killarny.

Coach Mrs. Kjenner says that the girls best game was against Rosslyn. Mrs. Kjenner also says that Mr. Thorpe was very helpful to her at the Rosslyn tournament.

Keep up the good work!

Junior Girls Volleyball Team

The team was made up of grade seven's and grade eight's. They were an enthusiastic team and very optimistic. They had games once a week and were in four tournaments. They didn't have any captains. The team played at Balwin, Rosslyn, Lawton, and at home. The season started at the end of November and ended just before Christmas. Cheryl Richards, with her point-getting overhand serves, scored the most points. The team played the Steele Heights team the most. The shortest on the team was Carey Paholek and the tallest was Kylie Fergusson. Forty-five energetic grade sevens and eights tried out, but twenty were cut because they had missed too many practices. The best game they played was when they were split into two teams. The grade sevens on one team and the grade eights on the other. Since there weren't as many grade eights as there were grade sevens, some of the grade sevens joined the grade eight team. The coach, Miss Wilson, and the assistant coaches, Siphy Chanthapraseuth and Lisa Russell, helped the girls with their technique. They got through the season because of the support of the coaches and the fellow team-mates.

Awards Night

On October 15, 1991, last years grade 7's, 8's and 9's gathered in the gym to accept their honor awards. First, the honour band played O'Canada, and then Dr. Brauer gave a welcoming speech. Next Mrs. Perley-Waugh explained that the Golden Lion pins had not arrived yet, so each honour student would receive a rose then, and later, receive their pin. Then the honour band played Trumpet Voluntary. After that, the language arts, mathematics, and social studies departments presented to the hard-working students their awards, a rose and a certificate. Then the honour band played Saxomania. Next Dr. Brauer and Mr. Beaton handed out the awards to the students with the highest averages in each grade. In grade seven, Cathy Ma had the highest average, in grade eight, it was John Giacetti, and in grade nine, Tze Feng Chong had the highest average. In total, there was 139 students who received awards. Mr. Newell and Mrs. Haug helped organise the evening. After the presentation, there were refreshments served near the office.
